Dra. Grettcheng Flores Sandí  
Vice Decana  
**FACULTAD DE MEDICINA**

Estimada señora:

Por este medio lo saludo muy respetuosamente, a la vez le solicito autorización del permiso con goce de salario del 11 al 25 de junio del año en curso, con el objetivo de participar en una invitación que nos hace la Universidad Estatal de Nueva York (se adjunta invitación) y poder compartir las experiencias académicas de ambas universidades y hacer las negociaciones para un convenio de movilidad para docentes y estudiantes.

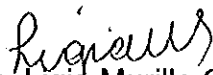

Con base en los objetivos, a continuación se detallan las actividades que realizaré durante la pasantía:

- Compartir conocimiento y experiencias en la disciplina de enfermería ya que estas se relacionan con la Práctica Clínica, Educación, e Investigación.
- Compartir el Plan de Estudios de Licenciatura en Enfermería.
- Compartir las experiencias del Módulos Adultez y Gerencia).
- Acción social énfasis en TCU.
- Proyectos de trabajo interdisciplinario en la Facultad de Medicina y otras instancias.
- Compartir conocimiento y experiencias en educación y entrenamiento multidisciplinario (enfermeras, médicos, y trabajadores sociales).
- PRECID Unidad para la Prevención, Consejería e Investigación sobre el Fenómeno de las Drogas en población universitaria UCR.
- Negociación del Intercambio Docente y Estudiantil.
- Compartir las experiencias de la Universidad de Estatal de Nueva York en áreas de Investigación, Docencia, Práctica Clínica y Participación en Política Pública.

Además, le informo que en mi lugar quedará la M.Sc Rebeca Gómez Sánchez.

Sin más por el momento, me despido agradeciéndole de antemano toda su colaboración,

Atentamente,

  
M.Sc. Ligia Murillo Castro  
Directora

Dear Students and Faculty:

The College at Brockport, State University of New York (SUNY) invites you to participate in an exchange program hosted by our institution in Rochester, New York. The exchange program is scheduled to take place during the month of June. Students and faculty from the University of Costa Rica (UCR) School of Nursing are expected to arrive in Rochester on Sunday, June 12, 2016 and to depart from Rochester on Saturday, June 25, 2016.

Your visit will expand upon our current study abroad program wherein nursing students from The College at Brockport, SUNY travel to Costa Rica to learn about Community Health Nursing and the public/private model of healthcare delivery in your country. The exchange program will serve to enhance collaboration between our institutions and promote exchange of information between The College at Brockport, SUNY, UCR, Centro de Desarrollo Estratégico e Información en Salud y Seguridad Social (CENDEISSS), and others. Also, your visit will provide a cultural experience for each of you as participants from Costa Rica and for the participants from our institution and other collaborating entities in the Rochester area. This visit will also provide a basis to investigate the possibility of a recurring exchange program agreement between our institutions.

**The objectives of this visit are to:**

- Share knowledge and experiences in the nursing discipline as they relate to clinical practice, education, and research;
- Share knowledge and experiences in the public health discipline as they relate to population health, health service delivery, and research; and

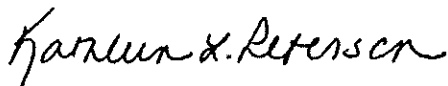

- Share knowledge and experiences in multidisciplinary education and training (ex., nurses, physicians, social workers, etc.) as it relates to population health and health service delivery.

Upon your arrival to Rochester, our institution will provide you with the following supports as outlined in the cost of the exchange program;

- Room and Board;
- Transportation to and from the airport;
- Transportation to and from the clinical/educational experiences and excursions; and
- Opportunities to meet and chat with clinicians, researchers, and educators from nursing, medicine, public health, and other disciplines.

We look forward to hosting your visit to Rochester and to strengthening the partnership between our institutions.

Sincerely,

Kathleen Peterson, PhD, RN, PCPNP-BC  
Chair and Professor, Department of Nursing

Tamala David, PhD, MPA, MS, FNP  
Assistant Professor, Department of Nursing

Ralph Trecartin Jr, PhD  
Assistant Provost for International Education
