FACULTAD DE MEDICINA  
ESCUELA DE SALUD PÚBLICA

16 de abril del 2012  
**ESP-89-04-2012**

Dr. Luis Diego Calzada  
*Decano*  
*Facultad de Medicina*

Estimado señor:

Por este medio le solicito muy atentamente su anuencia y el trámite correspondiente para atender la invitación de la Escuela de Salud Pública de la Universidad de New York en Albany, del 31 de mayo al 14 de junio. Lo anterior en el marco de las actividades académicas que la Escuela desarrolla como parte del convenio UCR-U New York.

El objetivo de la visita es atender lo siguiente:

1. Desde hace varios años la Escuela viene realizando actividades académicas con Escuela de Salud Pública de la Universidad de New York en Albany. La persona encargada de esta Universidad me informó en enero que se pensiona a fin de año, por tanto es fundamental conversar con el decano sobre la persona que será designada, y valorar la orientación de las actividades a realizar los próximos años, en particular la visita de los estudiantes de Albany en enero y de los nuestros en el 2013.
2. Participar en actividades académicas (entrevistas, conferencias, observaciones entre otras) a fin de profundizar en el conocimiento del Sistema de Salud estadounidense.
3. Explorar proyectos conjuntos de docencia, investigación y acción social.

Por tal motivo le solicito permiso con goce de salario del 31 de mayo, al 14 de junio del presente año.

Agradeciendo su atención a la presente, se suscribe atentamente.

New York State Department of Health  
in affiliation with Albany Medical College*

23 March 2012

Dear Ileana Varga Umana (ID 1-05320-210):

The University at Albany's School of Public Health invites you to undertake a period of intense and specific research at our School.

You will be hosted by the Center for Global Health at the University's School of Public Health located at 1 University Place, Rensselaer, NY 12144 for the period June 1-13, 2012.

During this two week period you will be provided a comprehensive overview of the American health care system and given specific, individualized guidance related to your specific research interests, which will be provided by faculty members and professional experts in the field.

A full academic program will be arranged for you; this program will include field visits to state and local health and human services agencies and health advocacy organizations as well as lectures and presentations by public health experts.

We welcome this opportunity to provide you this academic exchange designed specifically for your research interests and we look forward to your arrival in June.

Sincerely,

Carol Whittaker  
Director, Center for Global Health  
Assistant Dean for Global Health
