Estimado Doctor

Sirva la presente para solicitar permiso con goce de salario con el fin de asistir al 78avo Congreso Mundial de Farmacia y Ciencias Farmacéuticas, a realizarse en Glasgow del 2 al 6 de septiembre de 2018.

La asistencia a este congreso permitirá obtener conocimientos que enriquecerán al Departamento en temas relacionados con farmacogenómica, información de medicamentos y seguridad del paciente, nuevas tecnologías en la liberación de fármacos anticancerosos, medicamentos biológicos y terapia génica, entre otros.

Tomando en cuenta que el Departamento debe estar a la vanguardia en lo referente a las terapias y tecnología disponibles, considero que es una buena oportunidad para establecer contactos de interés.

Adjunto encontrará información referente al itinerario y participación en el Congreso. De acuerdo con el itinerario, la salida del país sería el 27 de agosto y regresaría el 08 de septiembre, por esto se solicitarán vacaciones los días 27, 28, 29, 30, 31 de agosto y 07 de septiembre.

Agradeciendo la atención brindada
