IMS
**15th WORLD CONGRESS ON
MENOPAUSE**

Heart Health Matters.

PRAGUE, CZECH REPUBLIC 28 SEPTEMBER–1 OCTOBER 2016

Dear Prof. Alide Salazar,
This is to inform you that the abstract

ID: # 5055

Title: Effectiveness of a nursing intervention in hypertensive, dyslipidemia and overweight postmenopausal women: a randomized controlled trial with a 12-month post-intervention follow-up

Topic: 5.4 Other cardiovascular topics

Author(s)/Speaker: Salazar A (Speaker), Vilchez-Barboza V, Sáez K, Paravic T

has been Approved for the Poster Session by the Scientific Committee as a Poster and to be presented in the Poster Session.

Important: You are now required to finalize your registration for the Congress by June 28th; any failure to do so will lead to the exclusion of your abstract from the Book of Abstracts and the removal of your presentation from the Scientific Program.

Guidelines for the poster session:

- The maximum poster size is 80cm wide by 150cm high;
- The poster must be mounted on Thursday September 29th from h.11.00 to h.17.00 and dismounted once the poster session ends.
- During the poster session (Friday 30 September from 18:10) authors are requested to stand by their posters for their presentation;

What if my registration is sponsored by a pharmaceutical company?

In this case please ensure you [contact us](#) and we will keep the poster in the Program and the Book of Abstracts as it is.

What if another author is going to present my poster?

If another one of the named investigators has already completed their registration and will present instead of you, please [communicate](#) his/her name to us. The authorship of the abstracts in the Program and the Book of Abstracts will remain as you have submitted.

How do I register for the Congress?

Log in to your account on the [Congress website](#) using the same username and password you used to submit

your abstract, then click on the 'Registration' button. If you require an official Invitation letter you may download it directly from your personal page on the [Congress website](#).

PRE-CONGRESS WORKSHOP

Don't miss the chance to spend 6 hours with the foremost scientists in the field of Menopause research: take part in the [pre-congress workshop, "21st-century Menopause Management"](#) on Tuesday September 27th.
Limited seats available - online pre-registration is required.

Please do not reply to this message. If you require further information please contact us using [this email address](#)

Kind regards,
the organizing secretariat
